How to become a Semco Maritime supplier?

HSSE&Q

Semco Maritime is certified according to ISO 9001, ISO 14001 and ISO 45001 and by supplier management evaluation we ensure that our partners and suppliers comply with our policies within safety, quality, environment and working environment. Qualification as a supplier to Semco Maritime begins with the completion of a Supplier Self-Assessment Questionnaire.

Code of Conduct

Semco Maritime has joined the UN initiative, Global Compact and its principles are part of our strategy, culture and day-to-day operations. The participation in this initiative is relevant to the content of our Code of Conduct, where our partners, suppliers and stakeholders are expected to comply with national laws and regulations. All suppliers are expected to know the business practices of their suppliers and subcontractors to ensure they operate within the scope of our Code of Conduct.

Would you like to become a supplier?

At Semco Maritime, we fully understand that our success is directly linked to the suppliers we work with. The growing demands of our business segments and our efforts to continually exceed our customers'

expectations mean that we are always interested in suppliers, who add value to Semco Maritime.

Semco Maritime operates in the energy sector, by having global subsidiaries and global projects. Therefore the potential suppliers we are looking for are located all over the world.

Our aim is to establish long-lasting, mutually beneficial relationships with suppliers, who are devoted to working together with us to meet the expectations of our industry and support our corporate values of Commitment, Responsiveness, Reliability and Inspiration. By these strong relationships with suppliers worldwide, we increase our competitiveness by obtaining the highest quality, the best delivery performance at the most competitive prices.

If you wish to explore the possibilities of becoming a supplier to Semco Maritime, your initial contact should be through the Procurement department either in person, or by sending your company details to:

procurement@semcomaritime.com
